

KSI Problem Solving Questions

Wednesday 1st March 2017

1 If you know that

$$\triangle \times \triangle = 25$$

$$\circ \times \circ = 100$$

Work out

$$\triangle \times \circ = \boxed{}$$

$$\circ \div \triangle = \boxed{}$$

2 Class 2 are completing number puzzles.

The number in the blue shape is the **sum** of the two numbers either side.

Complete these puzzles.
